

24 MONTH HEALTH WARRANTY

- LK Bernedoodles guarantees the puppy is in good health, is up-to-date on immunizations appropriate for the puppy's age and has had appropriate de-worming at the time the Buyer takes possession. The Buyer has three (3) business days to take the puppy to a veterinarian for an examination. If the puppy is found to be in poor health, the Buyer has the option of returning the puppy to the BREEDER, at Buyer's expense for a full refund (minus any shipping expenses), or keeping the puppy.
- LK Bernedoodles provides this warranty for 24 months after the date of sale against any debilitating congenital defects. In the event the puppy exhibits symptoms of a suspected debilitating congenital defect, the Buyer must supply any requested veterinary records to the Seller
- This warranty does not include viral illnesses, ear infections, improper bites, hypoglycemia, worms, entropion/ ectropion, Giardia or Coccidiosis. It also does not include any illness due to the ingestion of foreign objects, food, chemicals or physical injury.
- If it is determined the puppy does have a genetic disorder that is identified within 24 months of purchase, the Buyer has the option of (1) either a replacement puppy from the next available litter of equal value Or (2) reimbursement (up to the purchase price of the original puppy) of veterinary expenses related to that specific illness.
- Your puppy need not be returned to us. Shipping fees will not be refunded, and if it becomes necessary to ship a replacement puppy, those fees are to be paid by the Buyer.
- If the puppy should die from a suspected congenital defect within 24 months of its date of purchase, an autopsy must be performed at the purchaser's expense by a veterinary teaching hospital or state licensed DVM acceptable to LK Bernedoodles own veterinarian. If the autopsy shows a congenital defect as the reason or the death, the Seller will provide another puppy of equal value to the purchaser. A written statement from the veterinarian must be provided. This warranty is void in the event of an indeterminable or inconclusive diagnosis
